Great. Is that in October? We'll make sure to have inspected by that time.

Hi So,

Lili has sent us a list of dates when her staff completed maintenance work. Are you okay if we plug those dates into the matrix, and we'll confirm the work is done during our regular patrols?

Thanks
Katie

Hello Lili. I hope you are doing well.

Attached you will find the updated maintenance matrix for Ocean Trails Reserve. I had no current updates for items previously submitted, but there are numerous new items listed. There are new items on the pages representing the following trails: Catalina, Gnatcatcher, Dudleya, Sunrise, Sunset, Sagebrush Walk, East Portal, West Portal, West Bluff and Coastal Switchback.

Thank you and take care.
